-Painted parts may not have the exact same paint color as the standard vehicle.

<Alloy Wheel & Tire Set>

-Please be noted that installation of "Alloy Wheel & Tire Set" or "Alloy Wheel Set" may increase the driving sound or lower the draining level during rain and grip during snowing condition.

Also driving comfortability or steering stability may differ from standard vehicle. Tires may wear faster compared to standard tires. Tire chain may not be applicable.

-When installing "Alloy Wheel & Tire Set" or "Alloy Wheel Set", please follow the above application.

-Tire may interfere or protrude if Tire other than setting are installed.

-The wheel nut adapter and dedicated pattern key included with the product are required if Tire puncture. So, always be keep them on the vehicle.
